Keep Your Promise...

Keep your promise...

Keep Your Promise...

Dear Mr Cameron & Mr Clegg,

You said that lockng up children for immigration purposes was a 'scandal' and 'a moral outrage'. We agree with you.

Wherever they come from, whoever their parents, all children deserve to be as loved, cherished and protected as our own.

That is why we are asking you to keep your promise by ending the detention of children now and forever.

Yours sincerely,

.....
